BLAKE QUEEN UPHOLSTERED BED

With transitional styling that works within a number of decorative environments, the Blake Upholstered Bed will be a welcome addition to your bedroom. The versatile, on-trend gray finish on pine solids and birch veneers dramatically enhances the wood grain. The upholstered headboard features a gray bi-cast vinyl insert with X-stitching and button tufting, while tapered feet add a modern design touch. You will love the Blake in your home. This bed is available in queen and king sizes.

JORDAN QUEEN PANEL BED

Built from solid rubberwood with stained grain ash veneers, eyes are drawn first to the Jordan's attractive head and footboards. This two-toned contemporary design features linked horizontal panels in a medium grey finish which complements the dark grey stain of the surrounding supports and framework. This sturdy bed has slats and a spine with reinforced cleats so you can rest easy and reflect on your smart purchase. The Jordan has USB ports on both sides of the headboard, and it is available in both King and Queen sizes for your convenience.

SANDSTONE QUEEN UPHOLSTERED PANEL BED ▼

Balanced design brings an organized calm to your home with the Sandstone Upholstered Panel Bed. The Sandstone is crafted from solid rubberwood in a light sandstone finish with melamine to provide surface protection against scratches and everyday distressing, and its clean, small-scale design makes it perfect for condos, lofts, or second bedrooms. The headboard features comfy rolled inserts to add a sense of softness and warmth, and they are upholstered in a brown tweed fabric which pairs nicely with the light sandstone finish. You will love the peaceful presentation of this bed.

ATWOOD QUEEN PLATFORM BED

The Atwood Platform Bed brings traditional Shaker style into the modern age in unforgettable fashion. This unique bed offers solid wood construction using premium alder wood, and it showcases a resilient catalyzed conversion varnish in a warm Antique Cherry color that looks great in any setting. To create its bold, geometric silhouette, the Atwood's eye-catching headboard features two square panels which appear to float atop a support system of perpendicular slats, and its low-profile platform base rests atop tapered square feet to complete the look. For innovative design and long-lasting craftsmanship, there's nothing quite like the Atwood Platform Bed.
